

CHAPTER 4

FIREWORKS

SECTION:

5-4-1: Public Display Permit

5-4-2: Retail Sale

5-4-3: Wholesale Permit

5-4-1: PUBLIC DISPLAY PERMIT: Any person wishing to publicly display fireworks must make application to the Fire Chief for a permit. The Fire Chief shall have the authority to enforce any rules and regulations necessary to protect all property and the safety of all persons. The display of Fireworks must be by properly qualified individuals under the direction and supervision of experts in the handling of Fireworks.

5-4-2: RETAIL SALE: The sale of fireworks or pyrotechnics at retail is prohibited within the Village.

5-4-3: WHOLESALE PERMIT: The sale of any fireworks at wholesale is prohibited within the Village, except by a permit which may be issued for a period of one year by the President. Application for a permit shall be filed with the Clerk at least thirty (30) days previous to the date of issue, and shall include a detailed description of the proposed care and storage of the materials, structural conditions of building where sale is intended, and occupants thereof. Before any permit is issued by the President, the premises described in the application must be inspected by the Fire Chief or his Authorized agent, who shall file with the Clerk a certified statement of his recommendation of approval or disapproval. (1963 Code, 41.01)
