Program Goals: Tri-City Soccer is a recreational soccer program that is primarily devoted to the enjoyment and development of soccer players without the emphasis on travel or high-level competition. The purpose of recreational soccer is to provide an opportunity for the participants to have fun, learn the sport and develop life skills including a lifelong love of the game. Smaller teams equals more ball touches. This is a 12 game season.

***Divisions could become co-ed if needed.**

Equipment: Shin guards and cleats are required for all divisions. If you are in need of cleats check with your recreation center. Donations are frequently made to the rec center & there might be some cleats available for your child.
